Sureplan Gold will help you accumulate the funds to meet the costs of the inevitable - your funeral.

Why would I preplan my funeral?

Most of us plan ahead - we plan for holidays, marriages, the future education of our children, and of course for retirement. Dying is as much a part of life as being born, but most of us avoid funeral planning. Why? Because most of us do not spend much time thinking about our death.

There are many advantages in planning ahead -

- Your own peace of mind knowing that you have faced this issue with responsibility, and that your family will be spared additional stress when they are grieving your passing
- Your family like many others could have difficulty in finding sufficient funds within a few days to pay for your funeral
- Pension Concessions - if you are an Income and Asset Tested Centrelink or Veterans' Affairs pensioner you can maximise your pension through investing in Sureplan Gold (for details see "Pension Advantages" below).

Simple, straight forward yet effective

Sureplan Gold is a secure funeral bond investment fund and is much the same as a bank savings account, except that you cannot withdraw any funds after the initial "cooling off" period. Proceeds can only be paid to your nominee on behalf of your estate on your death. How it works:

1. You contribute amounts either as a lump sum or by regular payments.
2. A bonus (based on fund earnings) may be allocated to your investment annually.
3. On your death, your contribution and bonuses are paid to your nominee to help pay your funeral costs.

The original objectives are still relevant

In 1935, with the foresight and assistance of some employees of the then PMG's (Postmaster General's) Department, Sureplan commenced the fund now known as the Sureplan Family Fund. It was established to assist Public Service employees and their families meet the cost of a funeral, particularly if that expense occurred when most if not all of the available family income was committed to raising and educating their children. While the original purpose remains valid today, membership for that Fund is restricted to people between the ages of 1 and 55 years. Therefore, in July 1998 a new funeral product Sureplan Gold was introduced to provide a mechanism for people over 55 years of age to provide in advance for their funeral.

Today Sureplan Friendly Society Ltd has more than 24,500 members and \$67.7M in assets. It prides itself in being a caring entity for its members' benefit.

Impressive benefits

Investment security - As the preservation of members' funds is the primary objective of Sureplan Gold, the assets of the Fund are currently invested in cash and low risk securities. The actions of the Society are regulated by the Australian Prudential Regulatory Authority (APRA), and the Australian Securities and Investments Commission (ASIC).

Instant payment to your nominee - Sureplan Gold pays your nominee the accumulated contributions plus bonuses within 24 HOURS (one working day) of the notification of your death. If a member dies within twelve (12) months of joining any bonuses previously allocated will not be paid.

Low cost - there are no entry or exit fees.

Solid and reliable growth - A bonus may be allocated to your bond annually, based on the earnings of the Fund. For the 2009 and 2010 financial years the Fund bonus was 5.50% p.a. and 4.7% p.a. respectively. The allocation of annual bonuses is not guaranteed.

Flexibility - A bond can be commenced with as little as \$20 and have regular contributions from \$20. You also can at anytime replace your nominee with another person or organisation.

Pension Advantages - Sureplan Gold is exempt from both the Income and Assets test for Centrelink and Veterans' Affairs pensioners providing no more than two funeral funding arrangements are held and together they do not exceed the maximum eligible investment threshold. As of 1 July 2011 the maximum eligible investment is \$11,250 and this amount will be CPI indexed annually.

Most commonly asked questions

Who can join Sureplan Gold?

Anyone can join.

Is joining easy?

Yes - as simple as filling out the attached application form and making the initial contribution. For Queensland residents a Client Care Statement also needs to be completed.

What are the payment options?

Contributions may be made by cheque, money order, or if you wish, we will arrange for periodic payments from your financial institution.

How much can I contribute and how many funeral bonds can I have?

There is no maximum contribution amount or number of funeral bonds. However for Centrelink and Veterans' Affairs pensioners to qualify for an exemption under the Incomes and Assets Test, your contribution to a funeral bond is subject to a Government threshold (see "Pension Advantages" above for explanation) and you cannot have more than two funeral funding arrangements. Also, for tax purposes, the money contributed to all funeral funding arrangements must not exceed the amount that would reasonably cover a member's future funeral expenses.

Is my money safe?

Yes, Sureplan has a successful history since 1935 of managing funeral funds. Sureplan Gold is a secure Fund focussed on the preservation of members' funds and Sureplan's investment activities are regulated by the Corporations Act and the Life Insurance Act - protection is provided by the conservative nature of the authorised investments and the continuous solvency requirements maintained in accordance with the Life Insurance Act and Prudential Standards.

What fees and charges do I pay?

None as an individual but the Fund pays a monthly Management Fee (maximum of 2% p.a. of the balance of the Fund) to the Sureplan Friendly Society Ltd General Fund to cover operating and administration costs. In the event of the Sureplan Friendly Society ever being wound up members are liable to pay a guarantee not exceeding \$2.00 per member, if liabilities of the Management Fund exceed its assets. Note that in this event members' benefits in Sureplan Gold will not be affected. If a member dies within 12 months of joining, any bonus previously allocated will not be paid.

Are there any Government charges?

Stamp duty may apply to your initial contribution and any subsequent contributions, or on assignment of your policy. The rate of stamp duty payable varies from State to State, and if payable, will be deducted from your contribution/s.

Can I withdraw my money?

No. After the cooling off period Sureplan benefits are payable only on the death of the member.

How is the benefit claimed and what evidence is needed to confirm my death?

Someone, ideally the nominee, needs to ring our office on 1800 817 105 to advise of your death. Sureplan requires independent evidence of your death from a third party (e.g. the Funeral Director). The Society reserves the right to sight a death certificate before paying the benefit.

Who pays tax?

Investment income earned by Sureplan on your investment in the Fund will be subject to tax in the hands of Sureplan, but when investment income is paid to nominees Sureplan may receive a tax deduction for that amount. This will mean that benefits paid by Sureplan may be effectively at their gross (or untaxed) value. The Board may declare a terminal bonus, based on taxable growth, payable in respect of claims paid in the twelve months following the annual 30 June actuarial valuation.

The investment income or bonuses component of benefits received will be subject to tax in the hands of your estate in the year in which they are paid. Whether any actual tax is payable will depend on your estate's tax position in that year. Note though that the 'capital' component of benefits paid is simply a tax-free return of capital.

However, if a funeral director or cemetery business is entitled to receive the policy proceeds because of policy assignment the benefits will not be taxed in the hands of the estate, since the amount will be paid directly to and will be assessable in the hands of the funeral director or cemetery business.

It is recommended that appropriate and independent professional advice be sought to determine how tax laws may affect your individual circumstances, mindful that these laws may change from time to time.

Does my investment attract GST?

Under Australia's current Goods and Services Tax (GST) rules your contribution/s, investment earnings and benefit payments do not attract GST.

Does the Fund allow joint membership?

Yes, in accordance with the Fund rules. Please contact Sureplan Friendly Society Ltd for more information.

Optional Benefit

BODY TRANSPORTATION FUNERAL FUND

This fund offers protection for you, should you die away from home. For a 'once only' premium of \$250.00 the fund offers the benefit of paying for the transportation and any other related preparation, containment or documentation costs up to a maximum of \$3,000 should you die within Australia outside a 70 km radius from your home. These amounts will be reviewed annually by our actuary. The 'once only' premium is not refundable after the expiration of the 30 day 'cooling off' period. Sureplan requires independent evidence of the costs incurred from a third party (eg. the Funeral Director).

The benefit will be limited to actual expenses incurred in transporting the body of the deceased member in a conventional manner from their place of death to their chosen funeral director, in reasonable proximity to the member's home.

To be eligible to join this fund, you must be less than 85 years of age, and either a member of the Sureplan Family Fund or Sureplan Gold. In the event that you change your place of residence you must advise Sureplan Friendly Society in writing (signed by the member) of your new residential address as soon as possible.

As at 30 June 2009, there were 472 members of this Fund, and it has total net assets of \$49,121. The liability to pay the benefit is limited to the balance of funds in Sureplan Body Transportation Funeral Fund at the time a benefit is claimed. Sureplan Friendly Society Ltd (the Management Fund and other Benefit Funds) does not support nor has liability to guarantee any shortfall in payments for this Fund. However, the Directors of the Society and the Society's actuary consider that on statistical information and research undertaken by the Society the Fund will be able to meet its obligations to pay benefits.

The Fund's authorised investment strategies are the same as for Sureplan Gold.

Fees

The member pays only the \$250.00 joining fee. However, the Sureplan Body Transportation Funeral Fund pays the following management fees:

- Maximum fee of 2% of the balance of the Fund calculated and payable monthly
- An annual flat fee of \$5 per member
- On the commencement of each policy an initial management fee of \$120.00 will be paid to the Management Fund
- Commissions paid to agents for the marketing aspects are paid by the Management Fund
- These costs cover the administration of the Fund.

Stamp duty may apply to your contribution and the rate of stamp duty payable varies from State to State, and if payable, will be paid by the Society.
